

DRAUMET Diamond hole saw

8434

Opis

- Professional diamond hole saw for drilling holes in hard finishing materials.
- Perfect for drilling holes in: stoneware, ceramics, terracotta, marble, granite and stone.
- The hole saw uses vacuum brazed technology
- It enables fast and precise drilling without chipping
- The steel body and diamond layer added by vacuum brazing increase the efficiency and service life
- High resistance to temperatures, friction and mechanical damage
- Hole on the side part for the spoil removal (from the diameter of 18mm)
- Drilling: wet and dry
- Hole saw handle: HEX

Characteristic:

- For professional use

Parameters

Unit

- Blister pack

Multipack

- Cardboard box: 200 pcs
